## Shree Krishna Hospital

Shree Krishna Hospital, a 950 bedded NABH accredited multi-speciality healthcare facility extends its services through two main routes, the Aashirwad Services and The Healing Tree Services. Aashirwad services, a highly subsidized healthcare service aims to provide medical care of best standards to the weaker sections on society. On the other hand, The Healing Tree is a premium range of healthcare which aims to offer highest standard of comfort and personalised care to patients.

## Aashirwad Service

Aashirwad Services by Shree Krishna Hospital intend to make quality healthcare affordable.

These services are extended to families with limited family income, the procedure is categorical and transparent. Families can apply for membership by providing documents and proof of their income. On verification of these documents and payment of annual membership fees, following benefits are available for the memners.

The benefits provided to members of Aashirwad scheme vary as per their income bracket :
